The Prosperity Leader Passionate Partner or Painful Poverty?

A Prosperity Leader transforms everyone into a passionate partner and an empowered contributor who knows how to impact the results of an organization.

100 years ago, workers spearheaded the labor movement to protest bad working conditions. Today, we are still faced with an epidemic of soul-sucking jobs. It is not enough to provide a job. It is important for your company to be successful and your employees to be valued for their part of the collective results. Becoming a Prosperity Leader allows you to create the business and job people want to be a part of and lead your own Prosperity Revolution.

In this presentation you will learn how to:

- Stop the epidemic of employee indifference and dissatisfaction.
- Observe people create, volunteer, and take responsibility for winning initiatives.
- Help yourself and everyone else to make more money.

Business Leadership Coach, Ruth Schwartz will show you how she became a Prosperity Leader and exactly what to develop in yourself to lead a Prosperity Revolution.
